is currently accepting participation  
applications for:

## Scratch Sessions

A workshop event comprising a series  
of performance art pieces created and  
performed by Edinburgh-based  
performing artists.

Artists will have the unique  
opportunity to perform work in  
development before an audience and to  
interact through a Q&A session  
following their performance, and  
through written feedback. There is no  
fee for participation and CURiO  
Gallery will provide the feedback  
material for each performance.

Artists will receive a 20-minute time  
slot for their performance and Q&A  
session together. It is up to the  
artists to determine how much time  
will be devoted to each part.

The Scratch Sessions will then take  
place on Saturday, 26 November at the  
Arts Complex, London Road, Edinburgh
